

24 Core Outdoor Fibre Optic Cable

Quick Details

Place of Origin: Shenzhen, China (Mainland)
Brand Name: OPTICO
Number of Conductors: ≥ 10
Fiber Type: SM
Filler material: PP
Loose tube material: PBT
Strength Member: steel wire
Armoured material: steel tape
Jacket: HDPE/MDPE
Application: Direct Buried/Duct/Aerial
Light Weight: Easy Installation
Temperature range: $-40^{\circ}\sim 60^{\circ}\text{C}$
Product Name: 24 Core Outdoor Fibre Optic Cable

Packaging & Delivery

Packaging Details: 1km/2km per wooden drum, or as required
Delivery Time: Generally within 10~20 days, detailed according to the quantity.

24 Core Outdoor Fibre Optic Cable Structures:

250 μm Colored Fiber
PBT loose Tube
Tube Filling Compound(Gel)
Steel wire central strength member
PSP Corrugated steel tape)
Cable filling compound
PE inner sheath
APL(Aluminum Polyethylene) moisture barrier
PE outer sheath

Features:

Low attenuation and dispersion, special control of exceed length and layer stranding technology ensures the good transmission, mechanical and environment performance.

Aluminum tape coated with PE inner sheath and steel tape coated with PE outer jacket provides excellent water blocking performance.

Good water blocking material prevents the cable from longitudinal water penetration.

Double jacket design enhances the performance of crushing and water blocking.

Application :

Apply to Long distance communication system, Local area network system and Subscriber network system;

FAQ:

Q1: Where is your factory located? Can I visit there?

A1: Our factory is located in Shenzhen, China.

All our clients are warmly welcome to visit our company.

Q2: How many years experience in this field?

A2: More than 17 years, and our engineers have more than 20 years product experience.

Q3: Can you provide sample to us?

A3: Yes, free sample is available, but customers need to pay freight cost.

Q4: How is the quality of your fiber optic cable?

A4: Firstly, we use top quality raw material best fiber and friendly sheath material etc),

Then surveyor will do the test, such as raw material quality test, fiber optic attenuation test and high or low temperature test etc.

Q5: How to do if I want my company brand name?

A5: We have own factory, OEM is available; If need other brand name, it is okay. please provide us you authorization letter.
